

Presentation Skills Workshop

Partners in Bleeding Disorders Education

Advanced Preparation for Community Educators and Partners Faculty

To extend training and educational content delivery nationally, Partners in Bleeding Disorders Education is proud to present the *Partners Presentation Skills Workshop* for individuals working within the HTC network who want to improve their presentation skills.

Course Description

Developed by HTC educators for HTC educators, the *Presentation Skills Workshop* is hosted once per year and provides a unique training opportunity for HTC providers looking to improve their presentation delivery skills in order to:

- Manage anxiety and energy during a presentation
- Create and structure a focused presentation
- Use transitions and “alerts” to facilitate the learning process
- Incorporate feedback from peers to improve presentation skills
- Deliver a presentation that interests and engages the audience
- Open and close a presentation with strength
- Comfortably manage questions from the audience
